

Pastor, parents, youth director/advisor team, New Hope family and New Hope Young Believers (Youth). Here is a comprehensive look at our Wednesday night discipleship plan to undergird and support the Pastors vision and more importantly the biblical requirement of parents to train and teach their children in God's Word, will, way, and worship.

Parents and guardians if truth be told, we can only build on what you teach your children. Please send recommendations you may have for us. If you have questions on different ways to share the gospel with your children, please contact any of the youth advisors, directors, or the youth Pastor.
